DIVERSE '10

A Conference for *all* Divers

A diverse range of top flight speakers, with something for everyone!

- Cave diver **Rick Stanton** will be recounting some of his amazing tales.
- Top underwater photography expert **Maria Munn** will be giving some of her tips and tricks.
- Hear from **Alison Mayor** how Southsea SAC solved the mystery of a mysterious group of wrecked WW2 armoured vehicles.
- **Roz Lunn** will be speaking about her experiences of Darwen BSAC's expedition of the Falklands.
- The **Maritime and Coastguard Agency** will be giving an insight into their work in the diving world.
- **Gareth Lock** will be putting his work in the aviation industry to use analysing the human elements of diving incidents.

More great speakers will be announced soon!

Space is limited, so don't delay and book your places for just £9 which includes refreshments on arrival and during the breaks – www.bsac-se.org.uk
